2020 VIRTUAL CONFERENCE INFORMATION

Due to COVID-19, the F.A.C.E. Board and F.A.C.E. Program Committee has been working hard to bring you a high-quality VIRTUAL conference experience this summer with 23 F.A.C.E. CEH's/2.3 CEU's to choose from!

Join us and earn CEH's/CEU's from the comfort of your home or office.

We'll have one exciting LIVE webinar day July 29, 2020 (6 CEH's/0.6 CEU's total), a one hour live technology test the day prior, July 28, 2020 (1 CEH's/0.1 CEU), plus 16 CEH's/1.6 CEU's of recorded webinars that you can view from anywhere, anytime within 30 days, using a compatible computer or mobile device.

I. How will a Virtual Conference work?

- 1) You will be sent a link to log in on July 28th from 2:00 PM – 3:00 PM (earn 1 CEH/0.1 CEU) for the **mandatory** VIRTUAL Conference Technology Test Kickoff Workshop to learn how to use the webinar platform, learn how to ask questions, and how to answer polls, in order to earn CEH's/CEU's for your virtual conference experience.
- 2) You will be sent a link to join one day of LIVE conference webinars on Wednesday, July 29th from 8:00 AM to 4:15 PM (with scheduled breaks and a lunch break 11:15am to 12:45pm). (6 CEH's/0.6 CEU's). LIVE conference day includes speaker Q&A, polling, chats, and prizes.
- 3) You will be sent another link to access all other pre-recorded (not LIVE) webinars that you can access at your convenience, day or night, any time before August 31st (16 CEH's/1.6 CEU's). **Pre-recorded webinars will require a brief, post-webinar quiz.**

II. How do I earn CEH's/CEU's?

In order to earn CEH's/CEU's, you must A) register/pay for the conference, and B) complete the polls during the live webinars, and the quizzes for pre-recorded webinars. ****This means that you cannot share conference registration links with others, and you cannot view webinars as a group. Each individual must complete his/her own polls/quizzes to earn CEH's/CEU's.**** You can decide how many CEH's/CEU's you want to earn; the registration rate does not change. CEH's/CEU's are awarded by the University of Central Florida.

III. What technology do I need for this Virtual conference?

You will need a compatible computer or mobile device. Review the system requirements for attendees: <https://support.goto.com/webinar/help/system-requirements-for-attendees-g2w010003>

While not required, you will have a better webinar experience if you **do not** use wireless internet service. (In other words, most computers in the office are wired/ethernet, and most cell phones and laptops are wireless. A wired/ethernet connection will have a stronger signal than wireless.)
