

2018-19 Board of Directors
Candidate: Michael Hauserman
Second Vice-President

It has been my honor to serve as your Third Vice President for the past year, and I ask for your support and vote in my election as your next Second Vice President. I hope to continue to offer my historical background and present-day dedication on your F.A.C.E. Board of Directors. During the last year as your 3rd Vice President, I have made efforts to increase membership, improve communication with the membership, and provide increased membership benefits. The Membership Committee and I have initiated surveys, reviewed membership letters, and planned increased membership outreach efforts.

I would like to introduce myself by giving you a brief background on my education and experience. Beginning in 1995, I obtained my F.A.C.E. Fundamentals of Code Enforcement certification. During the next few years, I obtained my F.A.C.E. certifications in Administrative Aspects, Legal Issues, and my Code Enforcement Professional. I received my Bachelors in Business Administration from Florida Atlantic University in 2004. I hold certifications with the International Code Council as a Zoning Inspector as well as a Property Maintenance and Housing Inspector since 2004. Most recently, I received my F.A.C.E. certification in Officer Safety and Field Applications. I am very proud to hold all the available certifications offered by the Florida Association of Code Enforcement.

I started my career in Code Enforcement with the City of Palm Beach Gardens as a Code Compliance Officer in 1996. I was employed as a Code Enforcement Officer with the Town of Lake Park, Palm Beach County, and Orange County. In 2015, I became the Program Coordinator with Orange County Code Enforcement Administration Department. Since October 2016, I hold the distinct position of Senior Code Enforcement Officer with Palm Beach County.

I have served on a local Code Enforcement Board, the Code Enforcement Officers Association of Palm Beach County, and on several F.A.C.E. committees throughout my career. I currently hold the position of Third Vice President with the Florida Association of Code Enforcement, and Treasurer of Code Enforcement Officers Association of Palm Beach County. I held a position on the Town of Jupiter Code Enforcement Board for 3 years on which I learned a new perspective of Code Enforcement. I previously served as Secretary, Vice President, and President with the Code Enforcement Officers Association of Palm Beach County. And last but not least, I served on the F.A.C.E. Program Committee from 2002 to 2003 and the F.A.C.E. Legislative and Judicial Review Committee from 2003 to 2005.

I look forward to continuing the reviewing and updating of the F.A.C.E. certifications and educational programs. And I will continue to develop partnerships and relationships with the International Code Council and other educational agencies. **I hope you will give me the chance to continue to give back and serve the entire membership of the Florida Association of Code Enforcement as your Second Vice President.**
