

FLORIDA ASSOCIATION OF CODE ENFORCEMENT

28th Annual Training Conference

**Sponsor and Exhibitor Registration
Package**

June 20-23, 2017

The Florida Association of Code Enforcement Invites you to take part in its 28th Annual Training Conference, which will take place in Orlando, Florida, on June 20-23, 2017, at The Florida Hotel at the Florida Mall.

The purpose of our association is to study and advance the science and practice of code enforcement through certification and the exchange of ideas, information, and technology that will help to improve service to citizens throughout the state.

Code enforcement is a significant concern to the citizens of Florida and because of the increasingly important role code enforcement has in preserving the neighborhoods and the quality of life, it is only natural that we should pool our resources.

We wish to invite corporations, organizations, and suppliers to participate in a trade exhibition in support of our association. The event offers an excellent opportunity for you to make and solidify relationships through personal interaction and marketing.

We anticipate Code Enforcement Officials, Solid Waste Officials, Property Maintenance Housing Inspectors, Zoning Officials, Animal Control Officials, Stormwater and Erosion Control Officials, as well as Community Development Directors, and Administrators, from all over the State of Florida.

Please take a look at the sponsorship packages we have put together for you. Make your selection, fill in the registration form and send it to us at EMAIL. We will follow up with you shortly after that.

We hope that you can join us. Please feel free to contact our Sponsor Coordinator if you need additional information on this event.
