333 ||

At these locations TaskForce Outreach Workers conduct interviews, do street assessments and VI-SPDATs. Consumers can talk to Outreach Workers about access to shelter or referral/linkage to primary health care, behavioral health services, legal services or family reunification.

*** People cannot loiter at these locations during the day. People arriving more than 15 minutes before the start time (2:45pm in most cases) on private property will be escorted off the property.**
