Continuing education, and professional development is key if you want to succeed in your profession; F.A.C.E. offers five (5) Certification Courses to help you maintain your edge, and keep your skills sharp and current.

In the great race to the top who you know matters and our association is filled with potential contacts. Our Certification Courses, and The F.A.C.E. Annual Training Conference gives members a chance to connect and create relationships, making it a fabulous networking opportunity for members who want to strengthen ties with colleagues in our profession.

All occupations have best practices specific to their line of work. If you are new to the Code Enforcement Profession and don't have much experience, unfamiliarity of best practices can pose a serious risk to you and your jurisdiction. We provide a forum for disseminating best practices, and becoming a member of our association gives you the best resources to learn what best practices govern our profession.
